

# LEARN TO POGO®

## FREE POGO TRAINING

### TUESDAY, MAY 23 8:30 AM

Maryland SoccerPlex  
18031 Central Park Circle, Boyds, MD 20841

Growing Innovations invites you to join Carmen Magro for a free, 'hand-on' POGO training. Mr. Magro will demonstrate the use of the POGO Pro portable, wireless sensor that captures turf & soil conditions. In addition to learning how to use this industry leading hardware, you will learn the technology of the POGO Turf Pro App & POGO Turf Pro Cloud for viewing and analyzing turf/soil condition data.

Superior insight | Better decisions | Healthier turf
